

PART 6B

TOURNAMENT REGULATIONS

1. General

- 1.1 The following shall be the official regulations governing tournaments run under the auspices of the Association and the WPGA.
- 1.2 No rule herein shall be amended or rescinded, and no new rules may be included without the approval of the appropriate committee.
- 1.3 Tournament Terms of Competition may be permitted to vary with the different types of tournaments stated but nevertheless the conditions that govern the said tournaments shall fall within the framework of these Tournament Regulations.
- 1.4 Terms of Competition specific to each tournament shall be published with the draw which shall be binding unless circumstances make a change necessary when such changes as authorised by the appropriate committee shall amend the aforesaid conditions and become binding. Publication of the conditions on the BlueGolf tournament information page or tournament noticeboard shall be considered proper notice to all competitors.
- 1.5 Each Member must comply with the Association's Inclusion Policy in respect of transgender people entering PGA Tournaments set out in the PGA Policies forming part of the Regulations.

2. Tournament Supervision

- 2.1 Supervision at tournaments shall normally be in the hands of the Tournament Director or Regional Manager who shall be responsible to the appropriate committee for the scoring, decisions on the Rules of Golf and other tournament regulations, the distribution of prizes and overall administration of the tournament.
- 2.2 In the event of doubt on any decision the Tournament Director or Regional Manager shall consult the Chief Executive or their appointed deputy whose decision having been given shall be final.

3. Tournament Rules

- 3.1 Association Tournaments shall be governed by the Rules of Golf as approved by R&A Rules Limited, the Constitution and Regulations of the Association, the PGA Local Rules and Terms of Competition, as well as the Terms of Competition and additional Local Rules for each tournament. Rule alterations and additions may be deemed necessary by the Association and shall be communicated from time to time.
- 3.2 Local Rules specific to the tournament will be available to all competitors at each tournament and may be obtained from the Official Starter or the PGA Tournament Office.

4. Course Unfit for Play

- 4.1 In the event of a hole or holes becoming flooded or otherwise unfit for play the Tournament Director or Regional Manager may authorise the cutting of a fresh hole or holes even if a round is in progress if it is considered that by doing so the tournament may be saved.
- 4.2 In the event of a round being cancelled because of unplayable conditions the tournament may be reduced to a stipulated number of rounds or holes to be played if an additional day, or days, is impracticable for the tournament to continue. For detailed guidance refer to paragraph 5 of this Regulation below.

5. Play Foreshortened or Cancelled

- 5.1 The Tournament Director or Regional Manager may, following consultation with the Chief Executive or their appointed Deputy, vary the following procedures in exceptional circumstances:
- (a) If in the judgement of the Tournament Director or Regional Manager adverse weather conditions or any other occurrence beyond the control of the Association renders the commencement or continuation of the tournament impracticable play shall be suspended until such time as the Tournament Director or Regional Manager after consultation with the sponsor considers that play can be continued.
- (b) If it becomes necessary to suspend play for a period during a tournament, tournament staff will cover the course informing players of the suspension.

To signal a suspension of play for a dangerous situation (for example, lightning) one prolonged blast of the siren shall be sounded. On the blast of the siren, players must discontinue play immediately (and if they have commenced playing a hole, each player may lift their ball but only after marking the position in which it lay) and shall not resume play until the Tournament Director or Regional Manager has ordered a resumption of play. If a player fails to discontinue play immediately (or recommences play before resumption of play has been ordered) he shall be disqualified, unless the circumstances warrant waiving the penalty in the opinion of the Tournament Director or the Regional Manager at their absolute discretion.

To signal the suspension of play for a non-dangerous situation (for example, heavy rain or wind) three consecutive blasts of the siren shall be sounded (repeatedly). On these blasts, players shall discontinue play immediately unless they have commenced play of a particular hole in which case they may (at their discretion) complete the hole that is being played (following which they shall immediately discontinue play). Should a player decide to discontinue play immediately whilst their ball is in play, the player may lift their ball in play but only after marking the position in which it lay.

5.2 The following procedure shall apply when resuming play:

- (a) When players remain in position on the course, as soon as the Tournament Director or Regional Manager determines the course is fit for play, play will be resumed immediately by all players on the course as soon as two short blasts of the siren are sounded;
- (b) When players do not remain in position on the course, as soon as the Tournament Director or Regional Manager determines the course is fit for play, the Tournament Director or Regional Manager will announce to players the time at which play will be resumed by all players which shall be signalled by the sounding of two short blasts of the siren.

5.3 For the avoidance of doubt, play shall remain suspended until such time as the Tournament Director or Regional Manager determine otherwise. If play is to be abandoned altogether for the day (at the discretion of the Tournament Director or Regional Manager), the Tournament Director or Regional Manager shall endeavour to advise players accordingly.

5.4 The following procedures shall apply:

- (a) as a fundamental priority the Tournament Director or Regional Manager shall adopt the policy which offers the most likely opportunity to complete the Tournament over the number of holes stipulated in the conditions for the Tournament.
- (b) if half the field has completed a round, the round must stand, and the round is completed the next day or in the event that the next day is unavailable, paragraph 5.4(i) will apply.
- (c) if less than half the field finish a round, that round may be disregarded (at the discretion of the Tournament Director or Regional Manager).
- (d) in Tournaments scheduled for 72 holes to be played over four days paragraphs 5.4(b) and 5.4(c) above will be applied with the object of completing a minimum of two rounds by the end of the third day's play.
- (e) in Tournaments scheduled for 54 holes to be played over three days paragraph 5.4(b) and 5.4(c) above will be applied with the object of completing a minimum of one round by the end of the second day's play.
- (f) in the event of play being foreshortened so that two rounds have to be played on the last day, then the field may be cut to the leading forty (40) players and those tying for 40th place (or such other number at the discretion of the Tournament Director or Regional Manager);
- (g) in Tournaments scheduled for 36 holes over two days paragraph 5.4(b) and 5.4(c) above will be applied (If paragraph 5.4(b) is applied in a Tournament scheduled for 36 holes over two days, the Tournament Director or Regional Manager shall decide the number of players qualifying for the final round);
- (h) in Tournaments scheduled for 36 holes on any one day and play is foreshortened, then the field may be cut to the leading forty (40) players and those tying for 40th place for the second round (or such other number at the discretion of the Tournament Director or Regional Manager) or otherwise paragraph 5.4(i) will apply;
- (i) if it is not possible to complete play on the final day the Tournament shall be decided on the scores achieved in completed rounds.
- (j) professional individual prize money in Tournaments can only be declared on scores achieved in completed rounds. Pro-Am prize money allocated for professional team and professional individual prizes may be declared on the maximum number of holes completed by all professionals.

Note: where an Order of Merit Tournament is played in a Pro-Am format the provisions of paragraph 5.4(i) shall apply when determining the result and prize money for the professional individual contest. If it has not been possible to complete at least one round the provisions of paragraph 5.4(k) shall apply however the result will not count towards the Order of Merit.

- (k) in the event of the curtailment or cancellation of a Tournament prize money shall be distributed as agreed between the Sponsors and the Association and may vary from that published in the Tournament Conditions. However, if bad weather causes the abandonment of a one-day Pro-Am after all teams have commenced play, or if bad weather makes the completion of the stipulated round impossible within the time available, then a result will be declared over the number of holes completed by all teams. The minimum number of holes to be completed by all teams for a result to stand will be 6.

6. Tournaments for Professionals

- 6.1 Any Member representing their Country at international level in the Ryder Cup, World Cup or Olympics, and in the top one hundred of The DP World Tour Order of Merit at the time of selection, shall be ineligible to play in tournaments for Professionals for three years after the date of last selection or failure to make the top one hundred of The DP World Tour Order of Merit in any year subsequently, whichever period is greater (subject to the entry conditions for the relevant tournament).

Entries shall be accompanied by the appropriate entry fee. Players should view the Tournament Information Page on the PGA website www.pga.info to confirm their entry has been received.

10.2 If a payment has been rejected, it is the player's responsibility to re arrange payment within 48 hours of notification or before the commencement of round one, whichever is sooner. 12.4 A player whose withdrawal is notified only within seven (7) days of the date of the first round shall be charged a withdrawal fee of £70.

12.5 If a player's withdrawal is not notified by noon on the day before the start of the tournament or is absent from a tournament without notice of their withdrawal the Association shall impose on the player a fixed penalty of £250.

12.6 For a second or subsequent offence under paragraph 12.5, in the same playing year, the fixed penalty fine shall be £500 and the facts may be reported to the National Disciplinary Committee and action taken as a breach of the Code of Ethics.

12.7 Any player winning prize money in regional qualifying tournaments will be liable to repay such winnings to the Association in the event of not playing in the subsequent Championship proper.

12.8 Any player who qualifies to play in a tournament and then withdraws from the final stages will be charged a withdrawal fee of £70, unless the withdrawal occurs within

7 days of the date of the first round in which case a withdrawal fee of £150 will be charged.

Note: If an additional entry fee is due upon qualification into the final stages of a tournament, the player is liable to pay the entry fee in addition to the applicable withdrawal fee.

13.1 A player in any PGA tournament who withdraws before the closing date for entry shall be eligible for a refund of entry fee.

13.2 Any player withdrawing after the closing date shall not be eligible for a refund of their entry fee unless the appropriate committee is satisfied:

- (a) that the withdrawal enabled the player to enter a higher-ranking tournament; or
- (b) that exceptional circumstances have arisen outside of the reasonable control of the player prompting their withdrawal, which the committee considers (at its absolute discretion) to justify the refund of their entry fee.

Note: When withdrawing to enter a higher-ranking tournament, there must be a direct clash with the official practice round, pre/post tournament Pro-Am or actual tournament round(s). A travel day may also be permitted where there is 150 miles of travel to the host venue.

31. PGA Tournament 3rd Party and On-Course Filming Policy

The PGA recognises the growing importance of filming on course content for PGA Members and may permit this activity at PGA Tournaments under the following guidelines.

The PGA appreciates that Members and/or Amateurs, including their caddies and coaches, family members and others in attendance at a PGA Tournament, may wish to document the player’s experience of competing in the Tournament. The PGA does however require compliance with the following guidelines to achieve a professional, competitive, and fair environment for all competitors.

1. Requests to undertake on-course filming must be made to the Tournament Director on publication of the draw.
2. Camera operators must not get in the way of fellow competitors and must always be respectful to players.
3. No interviews or pieces to camera may inhibit the designated pace of play.
4. Only one camera, including those on mobile phones, is permitted for filming purposes, unless otherwise approved in advance by the Tournament Director.
5. No player or caddie may be mic'd up during play unless this is approved in advance by the Tournament Director.
6. Playing partners have the right to refuse that any filming takes place. On publishing tee times, the PGA will contact any affected players for their consent.

7. When publishing videos online, the player/creator must depict the tournament title and any associated sponsor correctly. The PGA will be able to provide necessary logos on request.
8. Live updates from the Playing Member during a round (e.g. on live blogs or social media) are prohibited.
9. The use of a buggy for filming purposes is not permitted unless this is approved in advance by the Tournament Director. Competitors will only be permitted to ride in a buggy as per The PGA's Terms of Competition & Local Rules (Hard Card).
10. The PGA shall decide, in its sole discretion, whether filming will be permitted, and will inform the player of its final decision.
