PGA MONTHLY[®] IN PRINT IN PGA MONTHLY

PGA Monthly replaced PGA Professional magazine in 2022. It has been transformed into a product that The PGA and its stakeholders are proud of. It is an asset prized by the organisation and is an accurate and engaging reflection of the organisation's values and ethos.

The digital magazine has a readership of more than **25,000** page views each month and the print magazine has a circulation of **8,000**, meaning PGA Monthly reaches more golf industry professionals than ever before.

The careers section of PGA Monthly is much more than just a home for advertisements. It offers a broad range of careers advice, highlights recent moves, profiles PGA Members moving in new directions and, of course, signposts the very best in job opportunities for PGA Members.
